Sir:

In response to the Notice to File Corrected Application Papers mailed on March 7, 2002, Applicants submit that the computer readable form of the sequence listing in the instant application is identical with the last filed computer readable form filed in USSN 08/403,797, which issued as U.S. Patent Application No. 6,348,352 on February 19, 2002. In accordance with 37 CFR § 1.821(e), please use the last-filed computer readable form filed in USSN 08/403,797 as the computer readable form for the instant application. It is understood that the

Patent and Trademark Office will make the necessary change in application number and filing date for the computer readable form that will be used for the instant application.

A paper copy of the last filed sequence listing from USSN 08/403,797 is submitted herewith. The information in the paper copy of the sequence listing is identical to that which is in the computer readable form, as required under 37 C.F.R. § 1.821(f).

Respectfully submitted,
